

Executive Producer: John A. Pollock, Ph.D.

Art Direction/Research: Joana Ricou

Research: Allison Pogue, Brinley Kantorski

**Scientific Advisors**

Dr. Brady Porter

Assistant Professor of Biological Sciences

Duquesne University

Dr. John F. Stolz

Director, Center for Environmental Research and Education

Professor of Biological Sciences

Duquesne University

Dr. David Lampe

Associate Professor of Biological Sciences

Duquesne University

Dr. Michael Seaman

Assistant Professor of Biological Sciences

Duquesne University

Dr. Brad Livezey

Curator, Carnegie Museum of Natural History

Matthew C. Lamanna, Ph.D.  
Assistant Curator  
Section of Vertebrate Paleontology  
Carnegie Museum of Natural History

## Sources for the Spiral of Life

### General Sources

(Used for many of the following categories and general research.)
